## 3 Ways to explore Saona's Underwater World

A heaven for divers & snorkelers

A tropical island off the Dominican Republic's south-east coast surrounded by impressive coral reef ecosystems rich with a diversity of marine wildlife, crystal clear turquoise waters, pristine palm-fringed mile long white sand beaches, nesting grounds for many migratory species of birds, as well as large areas with natural sandbars decorated with fields of starfish indigenous to this region. This is Saona!

### Sacred Guardian of Tajma Ha Mayan legends

How often have you heard us rave about one of the most impressive cenotes on the Riviera Mayan corridor in Mexico - the Tajma Ha? But only a few are aware that there is more to it. Something so extraordinary and mysterious that will make your mind spin next time you set foot on those sacred grounds.
