General Guideline: A single person pays triple(x3) for private service, which defines the fee that stays equal

also for several persons receiving a private service as a small group, but then are allowed to share this one time fee.

this system can be applied to any type of program, examples:

Example 1 : Single Tank cost is 75 USD, times 2 = 150USD (this is the fee, no matter how many persons may share it)

Example 2 : OWC cost is 449 USD, times 2 = 898 USD is the private fee (PIC and Material is paid extra per person)

Example 3 : Cenotes Diving is 109 USD plus 2 tanks, times 2 = the private fee (value of 2x 109 USD plus 4 tanks)
